About this Event

The Ohio – Israel relationship is a very special one. With active trade in Biotechnology, Homeland Security, Aerospace, Defense, Information Technology, Advanced Energy, Instrumentation & Control Systems, the commercial relationship between us is thriving and expanding. Israel is seeking more business relationships in all these areas with Ohio companies, as well as in Food, Oil and Gas Technologies, Consumer Products and much more. If you are involved in any of these industries or interested in knowing more, this event is for you!

About the FICC
